Professional Experience and Curriculum Vitae

Hi, I am Mark from North Edwards, CA .I am just crazy about dance.I am not professionally trained, but just give me some music and I will rock the floor ;) My life is incomplete without dance.Dancing is my passion.If I am all alone at home. I read. I read about how to get rid from black magic just anything that interests me. Be it about sensitive topics or insensitive topics, I read to get knowledge about it.I try to improve my language.My language is like a boat in the sea and the seashore is still far away.
