Professional Experience and Curriculum Vitae
Mark is an international award-winning photographer with 21 years of experience in capturing a full spectrum of people and places.

Mark specialises in shooting fashion & people underwater and his personal series, 'Aqueous' is well know around the world and is held in many private collections.

A video of his Aqueous work was projected onto the walls of Buckingham Palace for the backdrop of Sir Paul McCartney's "Magical Mystery Tour" number for the Queen's diamond jubilee concert.
