Professional Experience and Curriculum Vitae

Hey, I am Mary. I am a tailor. I am good at advising and inspiring clients on fabric selection, design and styling to meet their individual requirements. In my current role, I provide a personal service to each client on issues such as modifications, Ya wadud wazifa for husband and adjustments. I always focuses on quality rather than quantity and has a high level of accuracy in measurement and fault identification. Right now, I am looking for a suitable position with a company that wants to employ hardworking individuals who get results.
