Professional Experience and Curriculum Vitae

I am a highly experienced illustrator, character designer, animator and cartoonist. I have been published in magazines, newspapers internationally. I have contributed art to various advertising campaigns and business publications. I designed the very first Google Doodles, designed the official mascot for the FIS Alpine Ski World Championship 2003 in St. Moritz, album covers for La Toya Jackson and much more.

Please visit <http://marsdenillustration.com> for my full portfolio and recent projects as well as my client list and client testimonials. Thank you.
