Professional Experience and Curriculum Vitae
Martin Christopher specializes in high quality custom photography for advertising, editorial, and corporate publication. Over twenty years of artistic development and technical mastery are brought to bear in the portrayal of each unique subject. The resulting images effectively communicate their intended message with grace and sophistication.

As a member of the American Society of Media Photographers, Martin Christopher ranks among the worlds most respected professionals in commercial and editorial photography. To serve a growing list of regional and global clients, Martin Christopher travels when necessary from his base in Central Florida.
