Professional Experience and Curriculum Vitae

At Match Creative Talent, we put creative minds to work. We specialize in matching creative, marketing and business-support professionals to opportunities in the advertising, marketing, entertainment, corporate and design industries.

We have an extraordinary track record of success for making exceptional matches between our talent and our clients. From creative placement to project management, from print to interactive to multimedia, we offer strategic staffing solutions with the best creative talent to give our clients the edge they're seeking.
