Professional Experience and Curriculum Vitae

"...passions are ignited when ornamentation is injected into high-minded matters of design" (Steven Heller and Gail Anderson. New Ornamental Type. 2010. p3). This is something I aspire to.

My design is typographically led with a hint 'vintage' style, which lends itself to many design applications including apparel, branding, packaging, web design and many more....

Previous Clientele

KHPR, Imperial Clothing, 1981 Records, Walnut Tree Records, 6131 Records, Century Media, A Wolf At Your Door Records... and many more.
