## Professional Experience and Curriculum Vitae

Collage and Stencil artist, Mathieu Bories alias Mateo questions the perception of the world which surrounds us. His humanistic approach emphasizes a nostalgia of childhood as well as a romanticism erased in our contemporary society. Forgotten images, photography, travel documents accumulated in search of timeless knowledge are the raw material of a personal composition, a monologue of the soul.

## Previous Clientele

Ubisoft  
Cirque du soleil  
ARTV  
Urbania  
Vallum Magazine  
Archambault  
Pica Magazine  
Massivart  
Fantasia  
Derapage
