Professional Experience and Curriculum Vitae

Hey, my name is Brendan. I'm a graphic & web designer, multimedia marketer and creative problem solver. Since 2005, I've been building brands with strategy, art and messaging. I have worked in the Software, Insurance, Non-Profit, Broadcast and Music Industries. Blessed/cursed with a meticulous nature, I've been called a workaholic on numerous occasions. I'm goal-oriented and thrive when there's a deadline or major goal in place.

I'm available for freelance graphic & web design, audio/video production, photography, voice over and music projects in various capacities.

Previous Clientele

Infinity Broadcasting (CBS Radio); The John F Kennedy Center for Performing Arts; CDC Software; Search for Common Ground (SFCG); Virginia Tech Alumni Organization; Three Keys Music; gomembers, Inc; AKG Consulting; Politone Records; Broken Records; Arrowhead General Insurance Agency; Hillsdale Animal Hospital; Liberte Clothing
