Professional Experience and Curriculum Vitae

Matthew Curry is a GRAMMY Nominated® designer, illustrator and painter that resides and works from his studio in the Washington DC area and is the principal of the design studio, Imagefed. As a designer, Matthew's work has been featured in Communication Arts Design Annual #47, STEPINSIDEDesign Magazine's "Best of the Web", Computer Arts, XFUNS and etapes international. Matthew's ability to blur the lines between design and illustration has garnered him a varied and unique client list providing creative solutions for and including; ESLMusic, Thievery Corporation, Dodge, XM Radio, Corcoran College of Art and Design, Conde Nast Publishing, Lamar Snowboards, Budwesier and Flavorpill.

In addition to his commercial work as an illustrator and designer, Matthew's personal artwork has been commissioned for use on magazine covers, limited edition products, and can be found on exhibit in numerous art and design related publications, galleries, and venues all over the world.
