Professional Experience and Curriculum Vitae

Ronak Meghani is a serial entrepreneur & eCommerce Consultant who has worked with small-medium-large companies. He is a co-founder of Magneto IT Solutions and has been closely working with eCommerce ventures since 2010. He has helped 200-plus international brands for building/improving their online ventures in the area of UI/UX, development, launching, revenue enhancement, marketing strategy, magento development, eCommerce support and much more, and 90% ventures are generating very good revenue. He's enthusiastic about start-ups, entrepreneurship, sports, home decor ecommerce, automotive ecommerce, gems & jewellery ecommerce, electronics ecommerce and all things marketing.
