Professional Experience and Curriculum Vitae

We provide prototype manufacture and plastic mold tooling service.

We can do all kinds of prototype, all of the workers above 5 years experience about prototype tooling.

Our customers include HP, ViewSonic, FOXCONN.....

Our quality is perfect , but price is competitive ? maybe lower than yourself tooling. I think our perfect services will help you get more profit.

If you have related prototyping project, pls feel free to contact with me directly. MSN: meierhungda@hotmail.com

I wish we could have a good cooperation in the future.

Previous Clientele

HP, View Sonic and Greatwall

Awards and Accolades

Please kindly get in touch for more information.
