Professional Experience and Curriculum Vitae

All the Naturopath Melbourne, at our natural therapies clinic, are fully qualified, registered and professional. We work within an integrating medical model with all other health care services. With continuous training, seminars, conferences. Our knowledge is at the top of the natural medicine industry among all acupuncture Melbourne clinics, and we are respecting our traditional natural medicine roots. We aim to deliver a wide range of the service that you can get to improve the health and your own well-being. Make an appointment with the best natural clinic in Melbourne by calling us on: 03 9686 2566, visit us:http://www.melbournenaturalmedicine.com.au/ here.
