Professional Experience and Curriculum Vitae

MetroCitizen is an online publication based in Miami that serves the Luxury Real Estate and Fine Art enthusiasts with interviews, editorial and news coverage of the most coveted developments, art and philanthropic events in town.

At a time when luxury real estate is making a strong comeback, there's a worldwide interest in owning properties in South Florida. And some of the wealthiest clientele in the world are fine art collectors.

Our mission is to indulge industry aficionados in the most refined way recognizing the resonant harmony between Luxury Real Estate and Fine Art.
