Professional Experience and Curriculum Vitae

Michael studied graphic design in Bern in the early 80s. and initially worked as a freelance artist and Exposition Designer for Museums, Swiss advertising companies, newspapers, and magazines.

His work took him to Paris, Italy, and Germany, where he worked for companies such as Daimler-Chrysler, and eventually to New York, where he lived for a few years. He now lives with his family near Basel in Switzerland.

Michael has created illustrations for clients all over Europe, Hong Kong and the USA. View his portfolio on illustrationzone.com
