Professional Experience and Curriculum Vitae
Hi I’m Mike,

I’m an illustrator based in the lovely city of Bristol, UK. Since graduating from Falmouth University with a BA (HONS) in Illustration, I’ve worked for a variety of clients where I’ve produced illustrations for editorial, advertising and book covers.

My work is digital using lines and colour in a textured and painterly way in keeping with my traditional roots. I’m strongly inspired by 50s illustration and comic book art. I specialise in portraiture and figure work and like to produce humorous solutions for my illustrations depending on the brief.

Other than Illustrating I also attend live painting events and sign write.

If you would like to get in touch to discuss a commission please feel free to drop me a line.
