Professional Experience and Curriculum Vitae
Milkxhake is a young Hong Kong-based design unit since 2002, mainly focus on graphic and interactive design.

In 2004, milkxhake joined FABRICA, the Benetton Research Communication Centre in Italy to improvise various creative projects including art direction for FAB magazine and Fabrica Musica. They received 3 excellent awards in Tokyo Type Directors Club 2004/2006 and 10 awards in Hong Kong Designers Association Awards 2005 including one gold and one bronze. Their works have been published in numerous magazines including Colors and IDN.
