Professional Experience and Curriculum Vitae

Mitchel Gray is a photographer, and author. He has to his credit two best selling photo books, *The Lingerie Book* and *Lingerie Fantasies*, (St. Martin's Press), and has illustrated many more, particularly in the active lifestyle/health and fitness field. He has photographed over sixty magazine covers, including about thirty for *Men's Health*, *Men's Health Muscle*, *Men's Fitness*, *Muscle & Fitness*, *M & F Hers*, *Runner's World*, *Mountain Bike*, *Bicycling*, *Fitness*, et al. He has shot many hundreds of magazine and ad pages for various publications or ad agencies around the world. Much of his portrait work in recent years has focused on sports celebrities ranging from Derek Jeter to Tom Brady and a whole lot of people in between. His fine art work has been shown in galleries in both the United States and Europe. He now has a new partner on his latest fine art series, "Bodies in Action", the United States Olympic Committee. It has been featured in the National Art Museum of Sport and elements of it are shown here.
