Professional Experience and Curriculum Vitae

Michael is a travel, People, culture, and food photographer known for photographs that capture the energy of their subject, Michaels images are marked by a desire to see what others often miss and to bring those fleeting instances to light. His work is often defined by natural daylight graphic composition.

Michael's published work and clients include Conde Nast Traveler, Food & Wine, Harper's Bazaar, and Architectural Digest, Lonely Planet images, Getty, Taverne Agency and Panoramic images among others. As a photographer, Mike is driven to bring clarity to the smallest details, a passion that led him to develop the skills of a master retoucher. In this capacity, Mike is able to provide an unmatched level of precision to his images, and in fact is sought out by other leading photography professionals to bring this level of flawless to their work as well. Originally from Seattle, Mike relocated to New York to be part of the city's dynamic photography community. He resides on the Lower East Side of Manhattan.
