Professional Experience and Curriculum Vitae

Moira graduated with a BA Hons in Illustration from the Kent Institute of Art and Design (UK) in 1992. She has been illustrating ever since, producing her distinctive images for a wide range of clients from publishing to advertising. For many years she created elaborate 3D collages, then in 2000 she bought an Apple Mac and began working digitally. Her current work is a blend of the hand crafted and the digital; her colourful and often quirky illustrations are assembled in the computer from hand drawn elements. After 10 years in London she now lives in the Cambridgeshire countryside, with her boyfriend and their cat.

Moira Millman is represented by ANNA GOODSON MANAGEMENT.
