Professional Experience and Curriculum Vitae

Successful Pursuits is all about giving you access to everything to help you become successful. We're an online community, created by creative entrepreneurs for independent creative professionals. We expect to become the #1 online resource and community for serious creative professionals who want to build a financially successful and gratifying creative business.

Inside our community, you'll find easy-to-follow, practical information that you'll need to start, improve and grow your own business, with contributions by industry experts. Helpful articles, teleseminars, peer-to-peer discussion forums, blog, video tutorials, Podcast radio, workshops and member success stories – it's all here waiting for you.
