Professional Experience and Curriculum Vitae

For us, the bigger the challenge, the better. We thrive on the process of generating innovative communication strategies. Whether it’s a small component or a full-scale branding initiative, we approach each project strategically from the initial insight to the final execution. No detail is overlooked. Think of us as your personal creative vehicle, bringing your ideas to their fullest and brightest existence.

FASHION DEMOCRACY

FEEL IT. FASHION IT. FOLLOW IT.

Fashion Democracy is a philosophy grounded in the belief that style isn't limited by size. It's a movement that allows women to show society that nothing can get in the way of a woman and her sexiness. Addition Elle believes that a woman can wear what she wants, when she wants, where she wants. We create clothing that fits to flaunt because we want to make YOU feel confident and beautiful inside and out.
