Professional Experience and Curriculum Vitae
The MOD Studio has both a passion for visual creativity and an insight for creative strategy. Our blend of design talent and business savvy translates into work that exceeds expectations and always stays true to the client's goals.

This studio prides itself on being smart, strategic, and creative, providing services from corporate identity and brand strategy to web design and development.

We go beyond creating simply a cool and hip design. Our award winning team creates experiences that inspire people to take action and influence others.

And our 16 ADDY awards prove it.
