Professional Experience and Curriculum Vitae

I am from a small market. I am willing and able to travel for piece work. Changing residency is out of the question. I claim to be using slab serif for over three years for a personal font; now that font classification is found in many places. I am in love with DIN, one day a license shall be mine.

Previous Clientele

Moose Factory Island District School Area Board - 2009

Moose Cree First Nation - 2002-2008

Moose Cree Education Authority - 2005-2008

Wakenagun Community Futures Development Corporation - 2004-2005

McCreebec Employment Unit - 2003-2004
