Apple Store, Chermside
Creative - 2010 - Present
Family Room Specialist - February 2010 - May 2010
Specialist - 2009-10
Training first time Mac users all the way to creative professionals and businesses, one on one and in group environments. Customers from all age ranges and backgrounds. Experience in teaching Mac OS Voice Over software to people with vision impairment. High level of customer service and patience. Content included Mac OS 10.4-10.7, iOS, iLife, iWork, Logic Pro, Final Cut Pro 7 and 10, Adobe Creative Suite, workflow strategies and backup solutions. An excellent knowledge of rostering and admin systems and balancing customer needs with staff requirements was required, as was a strong knowledge of Mac hardware service and repair and software troubleshooting.

Crumpler Design, Brisbane City
2009-2010
Working between Adelaide Street and Myer stores, not just a sales position: often opening and closing as the only staff in shop, handling orders and takings. Exceptional customer service is essential to this brand and company.

Teds Camera Stores
January 2007 - October 2009
General sale of photographic equipment, including bags, low to high end digital cameras, printers. Direct customer service role, usually handling expensive product. A solid technical product knowledge and good customer service both very important.
Education
Queensland College of Art - Bachelor of Photography majoring in Photojournalism, Graduated in 2011
Queensland Conservatorium of Music - Completed First Year of study, 2005
St Peters Lutheran College - Grade 12, graduated 2004
