Professional Experience and Curriculum Vitae
My name means "eyes", in Hindi and I am a photographer. I specialize in Lifestyle, Portraiture & Wedding photography.

I have photographed CEOs and celebrities; travelled and photographed extensively in Europe, North America and Asia and worked with magazine photo editors and PR agencies (of multinational and Indian firms).

My portfolio includes weddings http://www.knottytales.com, product launches, sporting tournaments and concerts.

For PR agencies, I photograph clients' events and products, and feature those launches on the Naina.co blog http://www.naina.co/photography & other social media.

After an MBA in Information Technology & Systems, I worked as an Innovation Consultant for a year, then as a brand / logo designer for eight years.

I currently work on brand naming and logo
design http://www.asidebrands.com engagements with selective clients from across the world.

I live in New Delhi, India and travel to wherever my photography assignments take me.

The best way to get in touch with me is via email. My email id is n@naina.co
