**Professional Experience and Curriculum Vitae**

Handmade contemporary jewelry and new creations for your old gold.

Modern  paintings : abstract color compositions.

Acryl on canvas. Non-figurative color compositions.
Nancy Aillery's work has no general philosophy. She has an artistic sensitivity that comes from within, that is inspired by her observation of humanity, architecture and the beauty of nature that surrounds her daily life. Nancy Aillery's creations are extensions of her personality, integrated into a simple and powerful style.She strives for unity and peace, her designs are strict and sober with many pleasant details.
Nancy Aillery will keep you fascinated with her creations.
Projects : Interior decoration of houses,companies and hotels.
