Ashland Montessori School

A Different Kind of School

Montessori is a different kind of school. Here children learn by exploration and self-discovery. They aren't forced to memorize or sit at desks, but they don't play all day either. Instead they learn through experience as they complete carefully designed tasks that enhance intelligence as well as physical and psychological abilities. This innovative philosophy awakens an inquisitive thirst for learning that remains a driving force throughout the rest of their lives.

The students at Ashland Montessori School
have been learning about penguins! Parts
things in science. We will discuss Air. Lan

Geography Area

Science Shelves In "science" we will learn about Air, Land and Water, why they are necessary and
