Coming soon to National Ramp – aluminum folding ramps! National Ramp has been engineering access ramps since the early 2000s in order to provide the freedom to move that so many customers desire. The benefits of the new Freedom aluminum folding ramp include a 3" thickness, which is great for easy storage, rubber hinges for safety, and it is available in multiple lengths depending on your needs. This product is easy to store and transport and will make a huge difference in accessibility for those who need it. The aluminum folding ramp is designed with multiple safety features including toe guards and an anti-slip surface. Visit the National Ramp website to receive a quote on a Freedom aluminum folding ramp today!
