Professional Experience and Curriculum Vitae

Necy Twinem is an award-winning children's book author and illustrator with over 26 published books. Her books are full of her bright, richly textured artwork and simple text. Necy's newest adorably rendered toddler titles; Hungry Beasties, Sleepy Beasties, Playful Beasties and Noisy Beasties are a collection of kid's favorite animals in various themes. Her admiration for New Mexico comes across with her vibrant illustrations in E is for Enchantment: A New Mexico Alphabet, a WILLA Literary Award recipient and nominated for the Land of Enchantment Book Award. Her other titles embracing the southwest are: Baby Coyote Counts, Baby Gecko's Colors and Baby Snake's Shapes (bilingual and English board books).

Necy's newest unique creation is ZOMBIEZOO®, a brand of whimsical zombie animal characters with a pro-social message. She launched her new ZOMBIEZOO® plush toy line with a dvd story in 2010 and is now partnering with a major firm that is developing new multi-platform licensing and media programs for launch in 2012.

Twinem graduated with a fine arts degree from the San Francisco Art Institute, and has exhibited her artwork in the US and Europe. Her fine art paintings are currently represented by The Old Schoolhouse Gallery, Sandia Park, NM. and Patrician Design, Albuquerque, NM.
