Professional Experience and Curriculum Vitae

With over 16 years of experience, photographer Nesli has always been a natural at capturing still life. This led her to attend the prestige school, Brooks Institute of Photography. During her course work at Brook Institute of Photography she specialized in industrial photography which allowed her to develop strong technical skills for product photography. Her talents have landed high end clients like Jennifer Meyer Jewelry and Lisa Hoffman Beauty. Because of intensive photography training in many different categories, Nesli has a natural eye that allows her to be versatile photographer with exceptional work in fashion, jewelry and beauty. She currently lives in San Diego with her husband and kids and continues her photography career with a selective clientele.
