Professional Experience and Curriculum Vitae
My goal is to make information easily understandable and visually engaging. To help communicate a message through visual aides.

My skills in helping clients communicate have been used in publishing, editorial, creating marketing and advertising material or producing storyboard for Film and TV production.

My commercial illustration clients include the New South Wales Department of Health, Copeland Publishing, AIME Mentoring and Google Australia.

I’m easy to work with so just send me an email if you would like to discuss your next project and I'll see how I can help!

Previous Clientele
Google Australia, NSW Department of Health, Copeland Publishing etc
