Professional Experience and Curriculum Vitae

I am a commercials director, with a special interest in Fashion, ok - an obsession in Fashion! I search constantly for the most cutting edge fashion, films and fashion films and blog constantly (www.popcornandprada.blogspot.com). I am very passionate about the new surge in fashion film, I believe it is one of the most exciting and innovative mediums to date. I believe that 'in order to be irreplaceable one must always be different' - (coco chanel) and so I am in constant search for fresh creativity and innovation - pushing the boundaries to create the extra - ordinary.
