Professional Experience and Curriculum Vitae

Biography:

Norah Silva Biography: ?Norah is a DC native and has lived in Boca Raton for the last 10 years with her two wonderful children. She works with numerous non-profits and has a passion for documentary photography that evokes social awareness. She is available for assignments in South Florida and for limited travel. Her body of work includes fine art photography, documentaries, portraits, fashion, head shots, event coverage and sports. Norah's fine art work possesses a "wonderfully intimate, meditative style." While often using a small depth of field, her photos offer a glimpse in to another world that often goes unobserved by the clutter and distraction of everyday life. Norah teaches photography classes and workshops, is a Hasselblad specialist, an Arts advocate and a member of: The Boca Raton Art Museum, an Artist Guild Signature Artist, Norton Museum of Art and Art Serve. Her work is collected locally, as well as in the UK. She is self represented.
