Professional Experience and Curriculum Vitae
Samuel Ho “Sho” is a traveling salesman with nothing but a well kept collection of hats and an insatiable desire to create. A designer by profession and artist by heart, he has had his hands in designing websites, fashion lines, books, athletic shoes, diamond jewelry, accessories, exhibits, interiors, furniture and many other things. He learned his skills by working the designer circuit in Manhattan, NY and was inspired to take up illustration from his roommates in Brooklyn. Blurring the line between fine art and innovative commercial work, Sho has refused to pledge to just one discipline of design so he continues to take on multi-faceted projects.
