## Professional Experience and Curriculum Vitae

Hala Marji is the Design Principal & Co-founder of NOTACLINIC Design Studio / Branding and Online Marketing Specialist. A 360 creative design and web solutions studio in Beirut Lebanon, NOTACLINIC is a team of experienced graphic designers and web developers committed to finding the best marketing and advertising treatments by delivering outstanding projects that are creative, strategic, and functional. At notaclinic, we craft the ideal prescription for your branding, social media management, graphic design, website design & development, logo design, and online marketing needs. Using visual communication tools and a variety of methodologies as cures, we administer messages in an engaging and accessible manner, encompassing both social and corporate responsibility. At NOTACLINIC, we concentrate on design and performance so our clients benefit from optimal results without any side effects. From inception to completion, we collaborate closely to unleash the highest potential and achieve effective design solutions.
