Professional Experience and Curriculum Vitae

Maria Cerezo is an illustrator born in Malaga and based in Girona (Spain). She studied Illustration in "School of art and design" in Olot.

She takes inspiration of music, people and the environment surrounding her. Her favorite media include ink, coloured pencil, watercolors, and markers as well as digital tools (Photoshop and vector programs). She takes reality and transform it: She play with colours to introduce secret messages that "are read between lines".

Also she is co-publisher and director art of "Carpaccio Magazine".

She is freelance illustrator and she's open for commissions works and collaborations.
