Professional Experience and Curriculum Vitae

Odile was born and raised in Amersfoort, a charming medieval city in the Netherlands. She has lived in several regions of the Netherlands but happily ended up in the beautiful city The Hague. Odile has always loved drawing and knew right from the beginning that's what she wanted to do for a living. She enjoys working with unsaturated colors and organic shapes. Her work is reminiscent of old art styles like Art Nouveau and Symbolism with a modern touch. The result is mix of elegant beauty, fashion and fantasy illustration, inspired by female beauty.
