Professional Experience and Curriculum Vitae
Ola Giertz design are characterized by clarity, simplicity and a utilitarian approach. He is always striving to create timeless products in which design, material and form are matched in harmonious dimensions and which are designed to meet the needs of the user. He often see his work as playful and experimental, always gently twisting not only everyday objects and situations, but also materials and manufacturing processes in new directions. With a minimalistic touch he creates innovative and sustainable solutions, where the focus is on furniture, product and interior design.

Ola graduated from the Carl Malmsten Furniture Studies in furniture design 2010. Apart from taking part in numerous exhibitions and fairs, Ola has also been commissioned for various public and private projects. His work ranges from specially designed interior solutions for restaurants among others, and other work for companies who believes in design as a competitive tool for success. Since 2011 he is based in Helsingborg, Sweden where he has opened his own studio.
