Professional Experience and Curriculum Vitae

Born in Breslau, Poland in 1978, Sebastian Onufszak is a German visual artist focusing on print, interactive media and motion graphics.

Since 2002 he has been working for an international range of high-end clients. Additionally he is renowned for his experimental live visuals which supported Funkstoerung, Mouse on Mars, Michael Fakesch and many more.

His works were featured in numerous publications and exhibitions worldwide. He is founder of the well-known artist collective "Propagandabureau".

Having worked as Creative Director at Parasol Island for more than two years, he is now available as a freelance designer and director.
