## Professional Experience and Curriculum Vitae

My name is Jordan Jackson, I am a visual artist, illustrator, and graphic designer from the Baltimore/Washington Metropolitan Area. My artistic roots are based in street art and graffiti but not limited to those demographics. I am available to do jobs ranging from large murals all the way to small logos and anywhere in between. I have a clothing company called "Original State of Mind! LLC, where I design t-shirts and other apparel. My skills are in drawing, painting, and computer generated graphics.
