Professional Experience and Curriculum Vitae

I studied engraving and serigraphy at the Arts & Crafts School on León and i have worked as graphic designer for years. I'm photographer by passion too.

I use watercolor and pencil mostly on a mixture of lines and splashed colors. I love the simple line style!!

Previous Clientele

- Junta de Castilla y León
- Universidad de León
- INDI, estudio creativo
- La ruta del oro, Astorga
- Exposición "El legado de un Reino" en León
- Editorial Mic

Awards and Accolades

I have worked for several graphic and print companies the last 6 years, sometimes as a graphic designer, sometimes as an illustrator and sometimes both.

Awards and Accolades

Please kindly get in touch for more information.
