Professional Experience and Curriculum Vitae

After ten years in the yoga industry as a teacher, studio manager, and minion for alleged gurus, I started a freelance writing business: Outside Eye Consulting is based in Marin County, California, ground zero of the vapid yoga scene. Subsequently, I am one of the founders of the irreverent community forum RecoveringYogi.com. And in my spare time, I have an imaginary herb + spice company: SimpleBasic and run CreativeTruthOrDare.com
