Professional Experience and Curriculum Vitae

I'm a Graphic Designer and Illustrator. I match the creation experience, arts management and final art back to editorial and publicity edition, with the abilities of artistic drawing and publicity drawing. With 16 years of experience in visual graphic projects, I master some graphics illustration softwares (Adobe Illustrator, Corel Draw e Painter), images treatment (Adobe Photoshop) publishing (InDesign, Adobe Page Maker e Microsoft office) and web (Macromedia Dreamweaver) in the platforms Mac and Windows.

I am fluent in English and have a reasonable ability for Spanish.
