### **Professional Experience and Curriculum Vitae**

Hi, and thanks so much for stopping by!

My name is Patricia and I'm a UK based illustrator.

I love getting lost in the details of an illustration and telling a story with my images. Usually, I work with gouache, coloured pencils, and the Procreate app. ?

You can find me drawing in a coffee shop or browsing bookstores. Right now I'm working on my Etsy shop and illustrating a kid's book.
