## **Professional Experience and Curriculum Vitae**

Looking for a hairdresser in Holborn? Book an appointment at Frankie Cochrane - a boutique hair salon with a truly personalised service. Services we offer include cutting, colour and speciality treatments. As a hair colourist, we've got over 25 years of experience in delivering colours and highlights. We use also a unique hairdressing technique that creates volume without split ends - the Calligraphy Cut. A precision-sharp pen-shaped tool allows hairdressers to create textured, volumized hairstyles. At Frankie Cochrane, all clients receive the individual attention they deserve.
