Professional Experience and Curriculum Vitae

Some of the images are called Cloud drawings in that each person sees different things in each piece. There is no solid outline to any of the art just pieces that make the image in a mosaic or tile like manner.

Previous Clientele
No clientele, just starting out getting some exposure.

Awards and Accolades

I am a landscape architect by trade practicing in Columbus Ohio area. I have been creating these types of images for about 9 years.

Awards and Accolades
Please kindly get in touch for more information.
