Professional Experience and Curriculum Vitae
Sydney-born designer Peter Gould founded Azaan to explore his passion for contemporary graphic design, art, photography and the rich visual & spiritual traditions of the Middle East.

His travels and studies throughout the region have inspired a unique cultural fusion that is reactive to a world of misunderstanding.

Day-to-day Peter runs Creative Cubed, his graphic & web design studio working on a number of international and local brands. www.creativecubed.com.au
