## Professional Experience and Curriculum Vitae

Originally from the sticks of New Hampshire, I grew up drawing and enjoying the great outdoors as much as possible. After receiving my associates degree in Massachusetts, I moved down to Philadelphia to finish off my degree. I've worked at several agencies in the area and am now looking for a new full-time gig or freelance projects.

Please inquire with your project details and I'll be happy to get back to you. Thanks!

## Previous Clientele

Please kindly get in touch for more information.

## Awards and Accolades
