Professional Experience and Curriculum Vitae
I am a long-time designer and illustrator based in New York City. My work ranges from humorous spots to graphic charts and maps, to icon design. More recently, I have been creating ceramic pieces both useful and decorative, with the same sense of humor and whimsy as my 2-D artworks.

Please take a look, let me know if you like them and contact me if you'd like to work together on a project. Thanks!

Previous Clientele
Time, Newsweek, The New York Times, IBM, AAA , University of Texas, Princeton, Merck Pharmaceuticals and many editorial and educational publishers.
